

Hon. Shri. Babanrao Pachpute Vichardhara Trust's Group of Institutions

## Faculty of Pharmacy

A/P-Kashti, Tal-Shrigonda, Dist-Ahmednagar, Pin- 414701

Approved by PCI, New Delhi, Affiliated to Savitribai Phule Pune University, Pune & MSBTE, Mumbai.

Website – www.parikrama.edu.in, Phone – 9766126772, Email – pariphr@gmail.com

**Vision** – 'To serve with high quality education for development of students as competent pharmacy professionals for the upliftment of socio-economic status in rural areas'

### **Criteria 2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.**

The Faculty of Pharmacy uses Vmedulife software for its Learning Management System and ERP, offering an integrated solution for managing academic and administrative tasks. Teachers share engaging lecture materials, including PowerPoint presentations, videos, and animations, ensuring a well-rounded education that combines traditional methods with modern technology. Various online platforms, such as academic ERP and G Suite applications, help distribute content efficiently and foster communication between students and faculty.

Regular online tests, including multiple-choice and descriptive assessments, monitor students' progress and provide feedback to identify areas needing additional support. The campus is fully Wi-Fi enabled, promoting blended learning and giving students easy access to digital resources, online discussions, and collaborative projects.

Classrooms are equipped with projectors, while the seminar hall features an interactive board, enhancing engagement and interactive learning. Students also have access to software tools for virtual experiments, such as X Pharm, Design-Expert, MiniTab, ChemDraw, and AutoDock, supporting hands-on experience and skill development.

The college provides an integrated e-learning center, language laboratory, and digital library, offering a wealth of resources, including e-journals and e-books. These tools ensure that students and faculty have the necessary resources for academic success. This comprehensive approach prepares students for rewarding careers in the pharmaceutical industry.
