3.4.1 –

Number of Collaborative activities for research, Faculty exchange, Student exchange/ internship year wise during the year

2023-24

During the academic year 2023-24, the institution actively engaged in collaborative activities with reputed agencies to promote research, faculty exchange, student exchange, field visits, and internships. These initiatives have significantly contributed to enhancing the overall learning experience and professional development of students and faculty members.

Key collaborations included partnerships with Bora Pharma Pvt. Ltd, Medicine Point, Siddhi Vinayak Medical Store, and Sai Prasad Medical Store. These partnerships were strategically designed to focus on practical exposure and skill enhancement. Bora Pharma Pvt. Ltd facilitated 27 internships, allowing students to gain hands-on experience in pharmaceutical operations and industry practices. Similarly, Medicine Point and Siddhi Vinayak Medical Store provided internship opportunities for 14 and 10 students, respectively, fostering critical skills in healthcare and pharmacy management. Sai Prasad Medical Store also contributed by offering six internships.

The cumulative total of 57 collaborative activities during the year reflects the institution's commitment to fostering academic-industry partnerships. These activities have empowered students with real-world insights, strengthened their professional networks, and prepared them for dynamic career challenges. Such collaborations also enhance institutional reputation and serve as a model for integrating academic knowledge with industrial expertise, ensuring holistic development for all stakeholders involved.
