### 5.1.1.1 - Number of students benefited by scholarships and free ships provided by the Government during the year

In the academic year 2023-24, HSBPVT's Faculty of Pharmacy reaffirmed its commitment to promoting educational inclusivity by facilitating a range of government-sponsored scholarships and freeship programs. These initiatives were designed to ensure that financial constraints did not hinder deserving students from pursuing quality education.

Among the notable programs implemented were the **Post-Matric Scholarship (GOI)**, **Post-Matric Tuition Fee and Examination Fee Freeship (GOI)**, and the **Rajarshi Chhatrapati Shahu Maharaj Shikshan Shulkh Shishyavrutti Yojna (EBC)**. Additionally, scholarships for students from minority communities pursuing higher and professional courses played a crucial role in supporting underprivileged sections. Tailored schemes for **OBC**, **SBC**, and **VJNT** students included coverage of tuition and examination fees, significantly reducing the financial burden on families. Furthermore, specialized support like the **AICTE PG Scholarship (GPAT)** empowered postgraduate students by facilitating their academic pursuits in pharmacy.

The institution ensured that these benefits were accessible through transparent processes, enabling a large number of students to avail themselves of the opportunities. Regular awareness campaigns, meticulous documentation, and streamlined application support allowed students to navigate the process with ease.

These scholarships and freeships have been instrumental in fostering an inclusive academic environment, allowing students to focus on their educational goals without financial stress. HSBPVT's Faculty of Pharmacy remains steadfast in its mission to provide equitable access to education, empowering students from diverse backgrounds to excel academically and contribute to the healthcare sector. This dedication reflects the institution's unwavering vision of building a society rooted in knowledge, equity, and opportunity.
