5.1.4 Number of students benefitted by guidance for competitive examinations and career counseling offered by the Institution during the year

At HSBPVT's Faculty of Pharmacy, Kashti, we are committed to empowering our students with the knowledge and skills needed to excel in competitive exams and build successful careers. In the academic year, we organized a series of impactful events that collectively benefitted over 400 students. The **Career Guidance on GPAT Exam Preparation, Soft Skills Development, and Other Pharma Competitive Exams** on 22/08/2023 focused on strategies for excelling in exams like GPAT and enhancing essential career skills. This was followed by a **GPAT 2023 Questions Analysis** on 12/09/2023, which provided students with a thorough understanding of question patterns and preparation strategies. On 25/01/2024, we conducted a **Brainstorming Guidance Session for GPAT, NIPER, DI, and Pharmacist Competitive Exams**, where experts shared insights on paper patterns, subject priorities, and the benefits of competitive qualifications.

As part of World Pharmacist Day on 25/09/2023, a seminar titled **Role of Pharmacist in Health Systems** highlighted the critical contributions of pharmacists to healthcare. Students also gained exposure to emerging opportunities in clinical research during the session on **Career Advancements in Clinical Research and Its Career Prospective** by Mrs. Karishma Rampilla on 13/01/2024. Finally, on 08/02/2024, the seminar on **Career in Clinical Pharmacy and Pharmacovigilance** by Mr. Mahesh Marathe provided students with invaluable guidance on career pathways in these growing fields. These initiatives reflect our dedication to holistic student development, bridging the gap between academic learning and professional success while fostering a culture of excellence and innovation.
