# ABOUT THE ACTIVITY

## 1. OBJECTIVE OF ACTIVITY

The prime motive of the team is to send all the players of the opponent's team out of the ground by chasing and tagging them out to win the play. The referee runs in a predecided area and the team that takes the most touches tag or tag all the opponents in the field wins the game.

There is a pole on each end and the runner can run between two players who are knelt, facing in opposite directions, but the runner is not permitted to turn back while running and go between the players. The runner can go to the pole, touch it and can return or go to another side.

## 2. DETAILS OF THE ACTIVITY

The Parikrama Sastra Mahavidyalaya, Anantnagar, Maharashtra was hosted Kvo-Kvo competition organized or sponsored by Savitribai Phule Pune University, Pune. The 15 students of HSBPVT's Parikrama Group of Institutions, Faculty of Pharmacy, Kashti were participated in the competition enthusiastically.

## 3. BENEFIT IN TERMS OF LEARNING/SKILLS/KNOWLEDGE OBTAINED

It was found that students cognitive skills (including concentration, pattern recognition, decision making, algebraic and geometric thinking, problems-solving, spatial reasoning, and critical thinking) were improved as well as self-confidence, self-worth, attention, memory capacity increased.
