1] Administration

We effectively manage the roles through **college website** and VM Edulife software. Admin dashboard of college website provide an overview of key metrics like course offering, NAAC, Training and Placements, Alumni, financials and announcements. **VM Edulife software** there is **management dashboard** which helps to stay updated on important alerts, deadlines, and upcoming events, monitor tuition payments, ensuring accurate record keeping, event management, document management.

By effectively utilizing an administrative dashboard, college administrators, can streamline operations, enhanced communication and informed decisions, ultimately improving the overall efficiency of the institution.

2] Finance and Accounts

Finance is essential to governance because it provides the tools and structure required for responsible, transparent, and efficient decision-making. Key applications of finance in administration (governance) include the following:

a. Tally

b. VM Edulife software

a. Tally: We have Tally software in our college account section for the Finance and Audits. Tally makes it easy to **manage financial transactions**. Users can quickly record, track, and handle income and expenses, which saves time on manual bookkeeping. Tally gives real-time financial reports like **balance sheets**, **profit and loss statements**, and **cash flow statements.** This quick access to information helps businesses make smart decisions fast. Tally assists with **tax calculations**. Tally is a crucial instrument that guarantees accuracy, compliance, and efficient operations in financial management.

b. VM Edulife software:

We have vmedulife software in our college for the administration help. There is one fees module in that students get information related to **fees structure**, general customize **fee receipt**, **E-challan**, **quick collect facility**, **installment option**.

3] Student Admission and Support

Students get admission for B Pharm program through **CET Cell** **https://ph2024.mahacet.org/** Admissions are granted based on the rules and regulations applicable to their specific categories.

We use vmedulife software for the students admission data. With the Admission module, we register students using their PRN number, After they are registered, students receive a login ID and Password. We also enter their contact details, date of birth, Aadhar and PAN number. This module helps students get registered in VM edulife, allowing them to access exams, assignment, power point presentations, and view their academic performance also.

4] Examination

We use the vmedulife software for conducting examinations particularly through online exam module which is designed for continuous assessment. Additionally software includes a Result Analysis Module where we put input marks from sessional exams. The result analysis helps us to identify both weak and bright students. So we focus on weak students who might need extra help. Thus, Vmedulife helps us see how students are doing and allows us to take specific actions to improve their learning. Internal marks of each students will be added by the assigned subject incharge (internal examiner) their sppu loin to the SPPU.
