## Internal Audit Report

To,

The Management

HSBPVT's GOI Faculty of Pharmacy

Kashti

### REPORT ON THE BOOKS OF ACCOUNTS & FINANCIAL STATEMENTS

We have audited, for the period April 2023 to 31 March 2024, the books of accounts of HSBPVT's, Group of Institutions Faculty of Pharmacy.

### MANAGEMENT'S RESPONSIBILITY FOR THE BOOKS OF ACCOUNTS & FINANCIAL STATEMENTS

According to the generally accepted accounting rules in India, the management of the college is in charge of preparing these accounting records that present a true and fair picture of the college's financial status and its financial performance.

Maintaining proper accounting records, using suitable accounting principles, making reasonable and sensible judgements and estimations, and design are all part of this obligation. In order to ensure the completeness and precision of the accounting records necessary for the creation and release of financial statements which provide an accurate and equitable assessment and have free from material misstatement, it is important to implement and maintain adequate financial internal controls that are operating effectively.

Hon. Shri. Babanrao Pachpute Vichardhara Trust's Group of Institutions

### AUDITORS' RESPONSIBILITY

It is our duty to provide a review of the records of accounts based on our audit.

We have undertaken an internal audit and have not discovered any significant flaws or gaps in internal controls. The internal audit's objectives were to validate associated records and assess the efficacy and effectiveness of internal controls.

We carried out our audit in conformity with the generally recognised auditing standards in India. According to those Standards, we must follow ethical guidelines, organise our audit, and carry it out to get a reasonable level of certainty that the financial statements don't include any major misstatements. Performing procedures during an audit involves gathering audit evidence on the amounts and disclosures in the accounting records. Along with assessing the general format of the financial statements, an audit also entails assessing the validity of the principles of accounting employed and the accuracy of the accounting estimations made. Our audit evidence, in our opinion, is adequate and sufficient to support our audit conclusion on the records of accounts.

The clerical errors that were corrected immediately while conducting our audit and other issues that, in our opinion, are not important have not been covered in our report.

### OBSERVATIONS

1. Fixed Assets: The college uses the Written Down Value Method to report its fixed assets. It is advised that College submit Fixed Assets value along with Gross Value and Accumulated Depreciation.
2. Income Tax / Professional tax - The following pay period is when the college should recoup any additional income tax or professional tax payments made.
3. Affiliation/University Fee - The college has already paid the university's affiliation costs for the following academic year. In the books of accounts, the same must be shown as an advance.
4. Documentation for common expenses - College faces multiple expenses centrally to the benefit of the numerous Trust units. These costs are subsequently divided among the trust units

in accordance with the management-developed mechanism. Trust keeps track of all the paperwork pertaining to these costs. The Trust should provide a copy of this to the College as well.

5. Investments - As the bank has linked the investment in bank shares to the trust PAN, it ought to get transferred to the trust balance sheet.

### OPINION

Subject to the above mentioned observation, in our judgement, to the best of our knowledge, and in accordance with the justifications provided to us,

1. The management of the college maintains accurate books of accounts.

2. According to the generally recognised accounting principles and the accounts present a genuine and fair picture:

(a) In the case of the Balance Sheet, the College's situation as of March 31, 2024, and

(b) the profit made by the College during the fiscal year that concluded on that date, in the case of the Statement of Income and Expenditure Account.

Second Sessional Theory Examination 2023-2024  
Subject: Pharmaceutical Engineering

Class: Second Year B. Pharm (Sem-III)  
Date: 18/12/2023

Marks: 30  
Time: 1.30 hr.

NOTE: Draw well labelled diagram wherever necessary

Q.1 Answer any five

(5×2M) 10 Marks

- Explain in detail drying rate curve.
- Write differences between solid and liquid mixing.
- Explain the mechanism of solid and semisolid mixing.
- Write short notes on turbines and paddles.
- What are different objectives of filtration.
- Define i) Mixing ii) Centrifugation
- Write short note on filter aids.

Q.2 Answer any one

(1×10M) 10 Marks

- Write principle, construction and working of FBD and Freeze dryer.
- Describe the working of filter leaf with neat labelled diagram.

Q.3 Answer any two

(2×10M) 10Marks

- Write principle, construction and working of Silverson emulsifier.
- Explain in detail Planetary Mixer.
- Write principle, construction and working of Sigma blade mixer.
