Dear Sir/Madam,

It has been observed that many Ranked and non-ranked Institutions are advertising in the newspapers and magazines highlighting the categories and ranks which are not been announced by NIRF and misleading the general public, students, parents, and other stakeholders.

The following observations have been made after reviewing advertisements published by many institutions:

1. Institutions are displaying previous years' rankings.
2. Institutions are highlighting state-wise or district-wise ranks whereas NIRF does not publish ranks in the state-wise or district-wise categories.
3. NIRF does not have categories like private institutions, government institutions, self-financing, not-for-profit, etc.
4. Some of the institutions have mentioned the rank on their website but they have not mentioned the year they were ranked in.
5. Institutions falling under the Rank Band are also providing ranks while advertising whereas NIRF has not provided any rank to institutions under the Rank Band.
6. As per the State Emblem of India Act, 2005, no person can use the emblem or any imitation in a manner so as to create an impression that is associated with or/and official document of the central government as the case may, without permission of the appropriate government. No person can use the emblem for commercial purposes or as a part of a patent title, trademark, or design except in cases as specified by the central government.
7. Some of the institutions are ranked by private players and NIRF as well. They are displaying private player's ranks with the logo of NIRF.
8. Some of the institutions are using the NIRF logo on their letterheads and website without rank.

Advisory

1. Institutions should display their current year Ranking only.
2. Provide the appropriate category and exact rank in that category. Do not bifurcate ranks at the state or district level.
3. There are no such categories as private institutions, government institutions, self-financing, not-for-profit, etc. Do not create additional categories or disciplines and rank your institutions in these self-made categories.
4. Institutions falling under the rank band should highlight only the rank band in which they fall.
5. The institution must mention the rank as per the latest India Rankings published along with the NIRF Logo.

Kindly find attached the Compliance Report Format to be filled and duly signed and stamped by the head of the institution and sent to nirfsec@nirfindia.org by 7th September 2024.

Institutions are requested to comply with the above-mentioned advisory. Post this mail, if an institution is found to advertise misleading advertisements or publish misleading information on its website will be debarred from future ranking exercises.

Please do not respond directly to this e-mail. The originating e-mail account is not monitored. In case of any queries please contact: [nirfsec\[at\]nirfindia\[dot\]org](mailto:nirfsec[at]nirfindia[dot]org).
