Vision – 'To serve with high quality education for development of students as competent pharmacy professionals for the upliftment of socio-economic status in rural areas'

7.3.1. Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words (20 marks)

Performance of the Institution in Pharmacy Education and Rural Upliftment

Our institution excels in pharmacy education by emphasizing academic excellence and socio-economic upliftment, particularly in rural areas. Situated in a rural setting with over 85% girl students, the institute prioritizes holistic development and motivates students to overcome confidence barriers, fostering competitiveness and lifelong learning, aligning with NEP 2020's vision.

Alignment with NEP 2020 Goals: The institution integrates multidisciplinary education, skill development, research orientation, and equitable access to quality education. Special emphasis is placed on empowering women and rural communities to foster inclusivity.

Skill Development and Participation: Students participate in national and international events like e-quizzes, clinical Olympiads, slogan-writing competitions, and intellectual property awareness programs, fostering holistic and experiential learning as envisioned by NEP 2020.

Focus on Research and Innovation: Contributions to impactful research, including publications in journals like IJRAR, enhance critical thinking and problem-solving skills.

Industry Collaboration: Internships with reputed organizations like Skill Dunia and Odcet Technologies prepare students for real-world challenges in healthcare and pharmaceutical sectors.

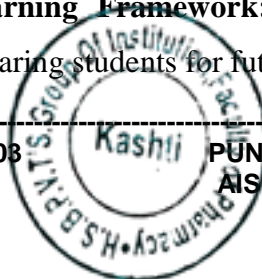

Community-Oriented Activities: Workshops on topics like herbal interventions for heart health empower rural populations by integrating health awareness with professional training.

Lifelong Learning Framework: Skill-based learning nurtures adaptability and critical thinking, preparing students for future challenges.

Vision – 'To serve with high quality education for development of students as competent pharmacy professionals for the upliftment of socio-economic status in rural areas'

The attachments included here provide evidence of our institution's commitment to fostering holistic growth and academic excellence among students. Certificates from various activities such as e-quizzes, clinical Olympiads, slogan-writing competitions, intellectual property awareness programs, and workshops highlight the diverse opportunities provided to students. These documents demonstrate the active participation and achievements of our students in national and international events, showcasing their all-around development. Additionally, the attachments reflect the institution's proactive support in guiding students towards skill enhancement, research contributions, and career readiness. This reinforces our dedication to empowering students and aligning with the goals of NEP 2020.
