## FROM PRESIDENT DESK

In this fast paced competitive world, unabated learning and ability to innovate are the key focus areas of our organizations. We have designed our programmes keeping exactly these demands of the industry in mind to ensure that the student gets opportunities to maximize their learning and increase the horizon their knowledge.

**Hon'ble Dr. Pratibha B. Pachpute**  
President , Parikrama Group Of Institution

## FROM PRINCIPAL DESK

It gives me immense pleasure to welcome you all to Hon. Shri. Babanrao Pachpute Vichardhara Trust's, Group of Institutions, College of Pharmacy, Kashti. You are standing on the crossroads of one of the most critical decision of your academic carrier. By opting for pharmacy you have taken a very prudent step, as undoubtedly, it is one of the most satisfying professional course. Apart from opening up multiple carrier avenues, it is also one of the most noble of all professions. In spite of being one of the oldest profession of the civilized world, its relevance today, is even greater due to discovery of newer and newer drugs. At HSBPVT, GOI, College of Pharmacy, Kashti, we will provide you the best possible education and training to make you worthy of this Nobel task. We have the infrastructure and facilities that includes a pilot plant, parenteral section, fourteen well equipped laboratories, library, medicinal plant garden, animal house and sophisticated instrument lab and other that will make your learning over here an experience to cherish. All this is backed by qualified and dedicated faculty and excellent placement support. I am sure you will be benefited a lot from learning at HSBPVT, GOI, College of Pharmacy, Kashti and stand to the working precedent set in by the alumni of Parikrama.

**Dr. Sunil Nirmal**  
Principal

Hon. Shri. Babanrao Pachpute Vichardhara Trust's,

## Vision

To serve with high quality education for development of students as competent pharmacy professional for the upliftment socio-economic status in rural area.

## Mission

1. To improve quality of pharmacy education through qualified mentors and providing state of the art facilities for both theory and practical.
2. To furnish students with proficiency, team spirits that meets the pre-requisites of talent acquisition in pharmaceutical and healthcare sectors.
3. To groom students as professional pharmacist entrepreneurs for socio-economic upliftment.

## Program Educational Objectives (PEOs)

1. To provide knowledge associated with pharmacy profession.
2. To inculcate professional and ethical attitude with lifelong learning habits in students to develop competent pharmacy professionals
3. To develop entrepreneurship skills and leadership traits in students to facilitate improvement in health and wellbeing of society.

## PROGRAM OUTCOMES (PO's)

1. Pharmacy Knowledge: Possess knowledge and comprehension of the core and basic knowledge associated with the profession of pharmacy, including biomedical sciences; pharmaceutical sciences; behavioral, social, and administrative pharmacy sciences; and manufacturing practices.
2. Planning Abilities: Demonstrate effective planning abilities including time management, resource management, delegation skills and organizational skills. Develop and implement plans and organize work to meet deadlines.
3. Problem analysis: Utilize the principles of scientific enquiry, thinking analytically, clearly and critically, while solving problems and making decisions during daily practice. Find, analyse, evaluate and apply information systematically and shall make defensible decisions.
4. Modern tool usage: Learn, select, and apply appropriate methods and procedures, resources, and modern pharmacy-related computing tools with an understanding of the limitations.
5. Leadership skills: Understand and consider the human reaction to change, motivation issues, leadership and team-building when planning changes required for fullment of practice, professional and societal responsibilities. Assume participatory roles as responsible citizens or leadership roles when appropriate to facilitate improvement in health and well- being.
6. Professional Identity: Understand, analyze and communicate the value of their professional roles in society (e.g. health care professionals, promoters of health, educators, managers, employers, employees).

7. **Pharmaceutical Ethics:** Honor personal values and apply ethical principles in professional and social contexts. Demonstrate behavior that recognizes cultural and personal variability in values, communication and lifestyles. Use ethical frameworks; apply ethical principles while making decisions and take responsibility for the outcomes associated with the decisions.
8. **Communication:** Communicate effectively with the pharmacy community and with society at large, such as, being able to comprehend and write effective reports, make effective presentations and documentation, and give and receive clear instructions.
9. **The Pharmacist and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety and legal issues and the consequent responsibilities relevant to the professional pharmacy practice.
10. **Environment and sustainability:** Understand the impact of the professional pharmacy solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
11. **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change. Self- access and use feedback effectively from others to identify learning needs and to satisfy these needs on an ongoing basis.

## NSS CAMP

The NSS unit of parikrama group of institution is organizing a 7 days Annual special camp from 1st to 7 th January,2020 in Ajnuj village. The camp was inaugurated by Hon .Babanrao Pachpute, founder parikrama GOI. President of HSBPVT's Dr. Pratibha Pachpute, Dr. Vijay Patil, Campos Director, Dr. Tanaji Dabade, Director PIOM, Dr.Sunil Nirmal, Principal, college of pharmacy, Prof.Dnyandeo Mhaske, Principal, Mrs. Shashikala Mali, Sarpanch, Ajnuj Grampanchayat participated the programme. The programme aims to inculcate social welfare in students, and to provide service to society without bias.

NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims. Camps are held annually, funded by the government of India, and are usually located in a rural village or a city suburb. Volunteers may be involved in such activities as: Cleaning, Afforestation Stage shows or a procession creating awareness of such issues as social problems, education and cleanliness Awareness Rallies Inviting doctors for health camps There are no predefined or preassigned tasks; it is left up to the volunteers to provide service in any way that is feasible. Camps typically last between a week.
