### 2.6.2 Evaluation of Attainment of Course Outcome

Course outcomes are evaluated by the formal method which is purely course embedded matrix method. The method is chosen as information is easily and readily available and the same method for all courses. Attainment of course outcomes is calculated based on marks obtained by students in internal and university examinations.

The institute authority has set of targets for evaluation and accordingly the attainments of course outcomes are calculated.

The assessment process is divided into two parts

#### 1. Internal sessional examination (ISE)

- For the 2019 pattern, as per the examination structure defined by SPPU, Pune course outcome attainment for internal examination is calculated for 25 marks for theory and 15 marks for practical.
- Two Sessional exams shall be conducted for each theory / practical course as per the schedule fixed by the college.
- The average marks of two Sessional exams shall be computed for internal assessment. The sessional exam shall be conducted for 30 marks for theory and shall be computed for 15 marks. Similarly, the Sessional exam for practical's shall be conducted for 40 marks and shall be computed for 10 marks.
- For theory sessional examination involves objective type, short answer, and long answers questions. The question paper pattern is similar for all courses of the 2019 pattern.
- Question paper is mapped with respective CO with blooms level to maintain the quality of question paper and it is checked by the examination department.
- Practical internal examination is assessed by practical sessional examination, journal marks, and continuous evaluation.
- Question paper for practical is mapped with respective CO and blooms level to maintain quality of question paper.
- After evaluation marks obtained by the students in theory and practical internal examination are used for the calculation of each course attainment.

**Vision** – 'To serve with high quality education for development of students as competent pharmacy professionals for the upliftment of socio-economic status in rural areas'

**2. Evaluation of University semester-end examination:**

- Savitribai Phule Pune University conducted a semester-end Theory examination for 75 marks and a Practical examination for 35 Marks as per the 2019 pattern.
- As University does provide indicators like average or medium marks, we have set parameters for program attainment.
